TITLE VI/EEO COMPLIANCE PLAN

March 2022

Louisiana State University Title VI/EEO Policy Statement

LSU firmly supports the national policy of Equal Opportunity, as outlined in the University's Affirmative Action Plan. The University's Equal Opportunity Policy Statement (PS-1), which can be found at the website <http://www.lsu.edu>, is administered without regard to race, limited English proficiency (LEP), income level, creed, color, religion, sex, sexual orientation, age, national origin, physical or mental disability, marital status, or veteran's status. The Office of Human Resource Management (HRM) is responsible for continuing development, implementation, and monitoring of the University's Equal Opportunity Policy. The President, Vice Presidents, Deans, Directors, Department Heads, and all other supervisory employees are responsible for assisting the University in the implementation of this policy. Additional information regarding implementation and enforcement can be found on LSU's website at <http://www.lsu.edu>.

LSU is committed to providing an inclusive environment for all of our students, employees, contractors, and vendors. While specific federal and state rules against discrimination vary in scope and applicability, it is our policy to adhere to these principles collectively.

The Federal Motor Carrier Safety Administration (FMCSA) Office of Civil Rights is an important partner in carrying out FMCSA's Title VI Program regulations, including those at 49 C.F.R. Parts 21 and 303. As promised in the Title VI Program Assurance, CARTS commits to uphold FMCSA Title VI Program requirements.

The LSU Title VI/EEO Program details how this policy is to be effectuated.

The preceding statutory and regulatory cites hereinafter are referred to as the “Acts” and “Regulations,” respectively.

Although not applicable to Recipients directly, there are certain Executive Orders and relevant guidance that direct action by Federal agencies regarding their federally assisted programs and activities to which compliance is required by Recipients to ensure Federal agencies carry out their responsibilities. Executive Order 12898 (1995), entitled “Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations” emphasizes that Federal agencies should use existing laws to achieve Environmental Justice, in particular Title VI, to ensure nondiscrimination against minority populations. Recipients should be aware that certain Title VI matters raise Environmental Justice concerns and FMCSA intends that all Recipients evaluate and revise existing procedures (as appropriate) to address and implement Environmental Justice considerations. See the following FHWA website for more information and facts about Environmental Justice: http://www.fhwa.dot.gov/environment/environmental_justice/index.cfm

March 15, 2022

Additionally, Executive Order 13166 (2001) on Limited English Proficiency, according to the U.S. Department of Justice in its Policy Guidance Document dated August 16, 2000 (65 Fed. Reg. at 50123), clarifies the responsibilities associated with the “*application of Title VI’s prohibition on national origin discrimination when information is provided only in English to persons with limited English proficiency.*” When receiving Federal funds Recipients are expected to conduct a Four-Factor Analysis to prevent discrimination based on National Origin. (See also U.S. DOT’s “*Policy Guidance Concerning Recipients’ Responsibilities to Limited English Proficient (LEP) Persons,*” dated December 14, 2005, (70 Fed. Reg. at 74087 to 74100); the Guidance is a useful resource when performing a Four-Factor Analysis).

General Assurances

In accordance with the Acts, the Regulations, and other pertinent directives, circulars, policy, memoranda, and/or guidance, the Recipient hereby gives assurance that it will promptly take any measures necessary to ensure that:

“No person in the United States shall, on the grounds of race, color, national origin, sex, age, disability, low-income, or LEP be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the Recipient receives Federal financial assistance from DOT, including the FMCSA.”

The Civil Rights Restoration Act of 1987 clarified the original intent of Congress, with respect to Title VI and other Non-discrimination requirements (The Age Discrimination Act of 1975, and Section 504 of the Rehabilitation Act of 1973) by restoring the broad, institutional-wide scope and coverage of these non-discrimination statutes and requirements to include all programs and activities of the Recipient, so long as any portion of the program is Federally-assisted.

Specific Assurances

More specifically, and without limiting the above general Assurances, the Recipient agrees with and gives the following Assurances with respect to its Federally assisted **FMCSA Program**:

1. The Recipient agrees that each “activity,” “facility,” or “program,” as defined in 49 C.F.R. §§ 21.23 (b) and 21.23 (e) will be (with regard to an “activity”) facilitated, or will be (with regard to a “facility”) operated, or will be (with regard to a “program”) conducted in compliance with all requirements imposed by, or pursuant to the Acts and the Regulations;
2. The Recipient will insert the following notification in all solicitations for bids, Requests For Proposals for work, or material subject to the Acts and the Regulations made in connection with the FMCSA Program and, in adapted form, in all proposals for negotiated agreements regardless of funding source:

“Louisiana State University, in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§ 2000d to 2000d-4) and the Regulations, hereby notifies all bidders that it will affirmatively ensure that any contract entered into pursuant to this advertisement, all contractors will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of the owner’s race, color, national origin, sex, age, disability, income-level, or LEP in consideration for an award.”;

3. The Recipient will insert the clauses of Appendix A and E of this Assurance in every contract or agreement subject to the Acts and the Regulations;

4. The Recipient will insert the clauses of Appendix B of this Assurance, as a covenant running with the land, in any deed from the United States effecting or recording a transfer of real property, structures, use, or improvements thereon or interest therein to a Recipient;

7. That the Recipient will include the clauses set forth in Appendix C and Appendix D of this Assurance, as a covenant running with the land, in any future deeds, leases, licenses, permits, or similar instruments entered into by the Recipient with other parties:
 - a. for the subsequent transfer of real property acquired or improved under the applicable activity, project, or program; and
 - b. for the construction or use of, or access to, space on, over, or under real property acquired or improved under the applicable activity, project, or program.

That this Assurance obligates the Recipient for the period during which Federal financial assistance is extended to the program, except where the Federal financial assistance is to provide, or is in the form of, personal property, or real property, or interest therein, or structures or improvements thereon, in which case the Assurance obligates the Recipient, or any transferee for the longer of the following periods:
 - a. the period during which the property is used for a purpose for which the Federal financial assistance is extended, or for another purpose involving the provision of similar services or benefits; or
 - b. the period during which the Recipient retains ownership or possession of the property.
9. The Recipient will provide for such methods of administration for the program as are found by the Secretary of Transportation or the official to whom he/she delegates specific authority to give reasonable guarantee that it, other recipients, sub-recipients, sub-grantees, contractors, subcontractors, consultants, transferees, successors in interest, and other participants of Federal financial assistance under such program will comply with all requirements imposed or pursuant to the Acts, the Regulations, and this Assurance.
10. The Recipient agrees that the United States has a right to seek judicial enforcement with regard to any matter arising under the Acts, the Regulations, and this Assurance.

By signing this ASSURANCE, **Louisiana State University-Center for Analytics & Research in Transportation Safety** also agrees to comply (and require any sub-recipients, sub-grantees, contractors, successors, transferees, and/or assignees to comply) with all applicable provisions governing the **FMCSA** access to records, accounts, documents, information, facilities, and staff. Additionally, you must comply with all other reporting, data collection, and evaluation requirements, as prescribed by law or detailed in program guidance.

Louisiana State University-Center for Analytics & Research in Transportation Safety gives this ASSURANCE in consideration of and for obtaining any Federal grants, loans, contracts, agreements, property, and/or discounts, or other Federal-aid and Federal financial assistance extended after the date hereof to the recipients by the Department of Transportation under the **FMCSA Program**. This ASSURANCE is binding on **LSU-CARTS**, other recipients, sub-recipients, sub-grantees, contractors, subcontractors and their subcontractors', transferees, successors in interest, and any other participants in the **FMCSA Program**. The person (s) signing below is authorized to sign this ASSURANCE on behalf of the Recipient.

Federal Aid Programs

LSU and the Center for Analytics & Research in Transportation Safety is seeking a grant through the Federal Motor Carrier Safety Administration. This program's primary mission is to prevent commercial motor vehicle related fatalities and injuries.

The Center for Analytics & Research in Transportation Safety at Louisiana State University is responsible for collecting, maintaining, storing, analyzing, and distributing crash related data captured from law enforcement and other agencies throughout the state of Louisiana. This data is used by decision makers in setting policies, projects, and programs to improve the safety of our state's roadways.

This group focuses on data collected through the software they developed, LACRASH, which has revolutionized the way traffic accidents are reported. Data obtained using LACRASH is used in countless ways. The State of Louisiana uses LACRASH data to form the Highway Safety Plan and pass new laws to improve traffic safety. The **Louisiana Highway Safety Commission** (LHSC) approves grants based on LACRASH data, and the Department of Transportation and Development (DOTD) uses the data to identify high crash intersections or road segments and develop multi-million dollar safety projects. Law enforcement officials use LACRASH data to deploy enforcement personnel. Vehicle design engineers study crash dynamics from the information gleaned from police reports. The U.S. Congress uses traffic records and traffic safety data to appropriate billions of dollars in highway safety and construction funding. This data is important, and gathering, processing, and reporting it all in an accurate and timely fashion is one of our primary objectives.

Notification to Beneficiaries/Participants

LSU has posted the Notice to the Public poster (last page of this Plan) in all publicly accessed facilities, and on the LSU website. Notices have been posted in facilities and on the website at https://lsu.edu/policies/ps/ps_1.pdf. LSU hereby gives notice that it is the policy of the University to assure full compliance with Title VI of the Civil Rights Act of 1964, the Civil Rights Restoration Act of 1987, applicable state civil rights laws, and related nondiscrimination authorities in all programs and activities. Title VI and related nondiscrimination authorities require that no person in the United States shall, on the grounds of race, color, national origin, sex, age, disability, low-income or LEP, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which LSU receives Federal financial assistance.

This training is conducted by professional staff of LSU. Online mandatory sexual misconduct training must be completed on an annual basis. LSU-CARTS will administer a Title VI PowerPoint training annually to be individually reviewed by each employee affiliated with the FMCSA project. Upon completion, each employee will sign a Training Confirmation Sign-off Sheet that will be provided to the FMCSA National Title VI Program Manager for record-keeping purposes.

Access to Records

Records are maintained in the office of the recipient, the Office of Human Resource Management, and the Office of Civil Rights and Title IX. These records will be maintained in confidential files outlining specific details involving complaints and assessments. The recipient of the grant, CARTS, will be responsible for reporting compliance to FMCSA.

Complaint Disposition Process

Any member of the University community has a right and an obligation to report complaints to any University official or responsible party, supervisor, the Office of Human Resource Management, or the Office of Civil Rights and Title IX (OCRTIX). No complainant is required to report or make a complaint to the person who is engaging in the problematic conduct. The University's Equal Opportunity Policy Statement (PS-1) also outlines relevant complaint procedures (PS-26 if related to a disability and PM-73 if related to sexual harassment). The University's Employee Grievance Procedure Policy (PS-80) outlines sequential steps for processing complaints. The Faculty Senate administers faculty grievance procedures. These procedures allow employees to discuss their concerns with the appropriate authorities with freedom from reprisal. Any University official receiving a grievance alleging discrimination shall refer the matter to OCRTIX. Should a faculty member file a grievance alleging discrimination with OCRTIX, the matter will be consolidated for review by HRM. OCRTIX also assists with the administration of the EO complaint process (complaints filed by members of the Public to include students) and provides grievance counseling in addition to assistance in completing the appropriate forms. Records of reports made to OCRTIX are kept in LSU's EthicsPoint and Maxient databases. This information will be made available to the FMCSA upon request.
